ABOUT ME

Motivated Junior Frontend Developer with hands-on experience in building responsive and dynamic web applications using React.js, Tailwind CSS, and REST APIs. Completed a 10-week Frontend Developer Internship at ETEC Center. Proficient in modern frontend technologies and backend fundamentals (PHP, MySQL, AJAX). Passionate about writing clean, maintainable code and creating excellent user experiences. Seeking a Web Development Intern or Junior Frontend Developer position to contribute and grow.

WORK EXPERIENCE

Frontend Developer Intern (10 Weeks)

ETEC Center – Phnom Penh

- Developed responsive web interfaces using HTML, CSS, JavaScript, and React.js
- Converted UI/UX designs into functional and reusable React components
- Integrated REST APIs to fetch and display dynamic data
- Improved website responsiveness for mobile and desktop devices
- Collaborated with team members using Git and GitHub for version control
- Participated in real-world project development and debugging tasks

E-commerce (React.js & Tailwind CSS)

- Designed and developed a responsive e-commerce website
- Implemented product listing, cart functionality, and API integration
- Improved UI/UX for mobile and desktop users

PHP MySQL AJAX Management System

Academic Project

- Built a dynamic web application with real-time CRUD operations using PHP, MySQL, and AJAX
- Implemented asynchronous data loading without page refresh
- Designed relational database and backend logic
